

A T & T Wirelss Expo Paris, TX

Hayter Engineering coordinated this project with Nepex Realty, Texas Department of Transportation, B. Bray Construction, and the City of Paris to prepare a site for a new A T & T Wireless Expo store.

The project consisted of site demolition, removal of trees, removal of a house, installation of a detention pond, a storm sewer plan, and site grading.

Specific services provided by Hayter Engineering are listed to the right.

This project was completed in August 2013.
