

Jay Hodge Motors Sulphur Springs Chevrolet - Sulphur Springs, Texas

Hayter Engineering assisted Denney Architects with the plans for a new Sulphur Springs Chevrolet Project. Hayter Engineering evaluated the before and after runoff conditions, sized a detention pond, assisted with grading and paving plans, and prepared a Stormwater Pollution Prevention Plan for this project. In addition, we provided plans and specifications to be included in the Architects bid documents extending the City of Sulphur Springs Sewer service to the North property line of the new dealership.

Services provided by Hayter Engineering are listed to the right.

This project was completed in 2012.
