

Subway Sandwiches
NE Corner of Bonham Street and Loop 286
Paris, TX

Hayter Engineering coordinated with Jeff Martin, Owner; Chad Brown, Realtor; and the City of Paris for a new Subway Sandwiches restaurant in Paris, Texas.

The property was composed of two tracts and replatted as one tract to ensure availability of water and sewer service. Zoning needed to be changed from offices to general retail.

Services provided by Hayter Engineering are listed to the right.

This project was completed in 2009.
